Subject: Proposed Transmission Line Route

Matt,

I-153-001 | This is approximately the route discussed with Mike Barningham & others at the Walsenburg meeting.

We are available to help locate this area if needed.

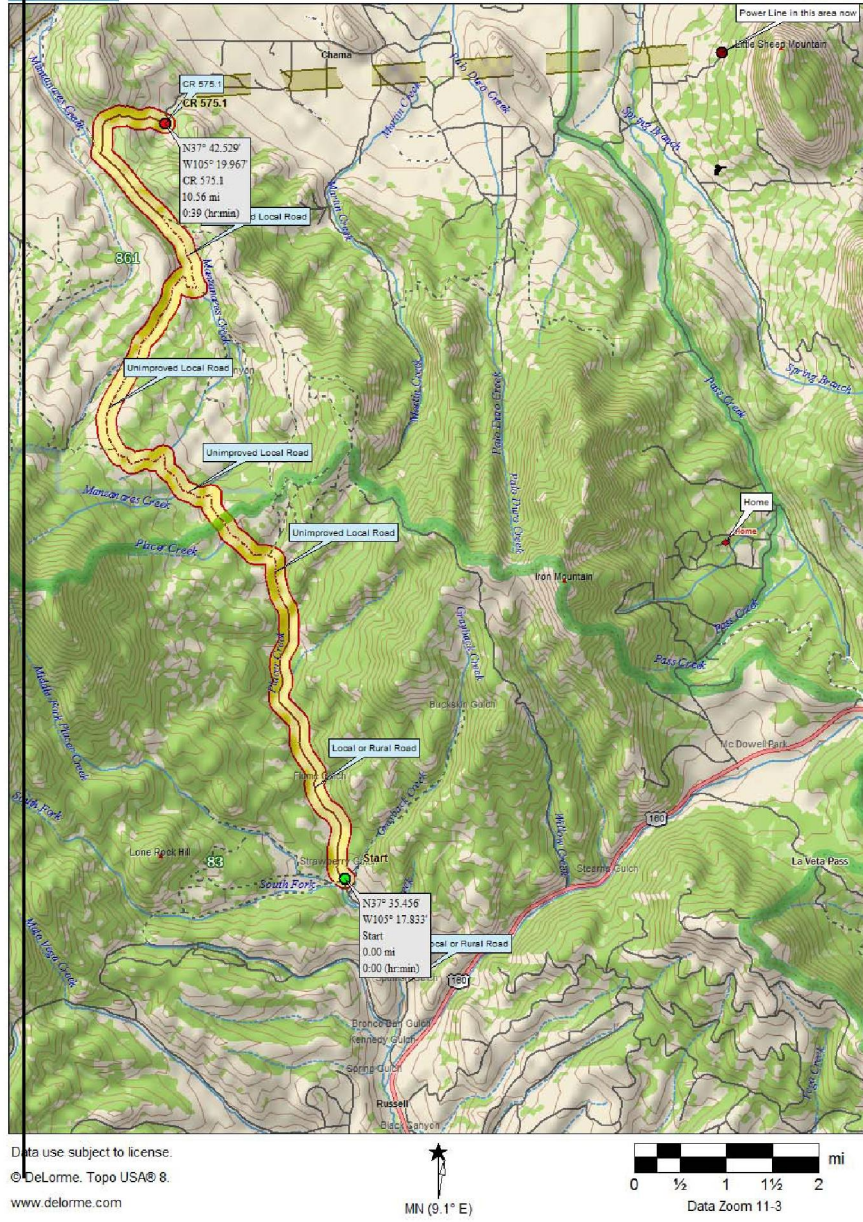

Let me know if you need any more info about this.

Thanks,

Phil Warlick
719-746-2525

I-153-001: Route Refinement > SLV-Calumet (In Review)

Your email/letter/comment form has been received and your comment noted. Route refinement for the proposed project and mitigation measures will be addressed in the Environmental Impact Statement. The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.

Matt,

I-153-002 | Slight revision that shows where existing route #44 would meet proposed route.

Phil

Matt,

I-153-003 | This shows another option.

Phil
